

Engineering Academic Opportunity Engineering Instructor

The Australian College of Kuwait provides internationally recognised and accredited education and training to undergraduate engineering and management students in Kuwait.

Applications are invited from highly experienced engineers to work as Engineering Instructors to deliver Diploma Level qualifications in Engineering to Kuwaiti students at the Australian College of Kuwait (ACK), commencing **12 February 2012**. Vacancies exist in the following engineering disciplines:

- 1- Civil Engineering
- 2- Mechanical Engineering
- 3- Electrical Engineering
- 4- Oil & Gas Engineering
- 5- Mathematics

The essential criteria for employment as an Engineering Diploma Instructor at ACK are as follows:

- Formal qualifications in degree level, with an area of specialisation (mentioned above).
- A reasonable teaching experience in a recognized academic institution.
- Relevant workplace experience.
- Excellent command of English language, as it is the media of instruction.
- Effective communication skills.

Desirable:

- Master in the area of specialization.
- Minimum 3 years industry experience
- TAE/TAA Certificate in Vocational Education and Training.
- Former TAFE / NVQ teaching experience.

Conditions of Employment: Interested applicants should apply by emailing (1) a cover letter summarizing university teaching and research experience, (2) a copy of current CV, including nationality, date of birth (for visa purposes), and (3) the names of three referees, one of which should be an academic supervisor to engjobs@ack.edu.kw. Information about the Australian College of Kuwait can be obtained from the web

Applications will be accepted until the position is filled
